THE PRIDE OF SIMBA
Celebrating the Grade 6 Class of 2026

"A remarkable milestone as our young leaders celebrate their achievements, embrace new beginnings, and step confidently into the next chapter of their educational journey."

Welcome

We thank the Almighty God for seeing us through this Academic Year. The end of the school year marks an important chapter in the life of the children and staff at School. As we come to the close of this academic year, it is with great pride that we can look back at the many achievements of our learners and their teachers. They worked hard, throughout the academic year, with many changing demands placed on them by social and educational needs.

Our learners and staff have been involved in many activities, and we have enjoyed and celebrated many successes. Our learners have grown, matured and become more competent. We hope they will stock up on strength and energy for the new year ahead. We wish them joyful moments during the break.

We also want to thank you, our dear parents, for your support and participation in the school activities during the year. Thank you for trusting us with the most important thing – your children.

SPELLING BEE

FOCUS. PRACTICE. SUCCEED!

On Friday, July 10, students took the **Level 1 Qualifier** written spelling test for the Spelling Bee, which will take place in **Term 1.** The words were not provided in advance, making the challenge even greater, and the teachers selected some of the most difficult words from the official word list.

Despite this, many students achieved outstanding results! Any student who scored **80%** or above automatically qualified for the Spelling Bee.

Congratulations to all who qualified—we encourage them to continue studying the word lists over the long holiday to prepare for the competition.

For those who did not qualify this time, they must **keep practicing** their spelling skills and use this as motivation to come back **even stronger** and aim to qualify next year.

Great spellers are great achievers!

Keep learning.
Keep growing.
Keep spelling!

GRADE 2 TRIP

On Tuesday, 14th July 2026, the Grade 2 learners went on an exciting and educational trip to Busy Body Gym and Kays Creation Park. The trip provided learners with valuable opportunities to learn outside the classroom while promoting healthy living, physical fitness, and positive social interaction.

After their visit to the gym, they travelled to Kays Creation Park, where the learners enjoyed a variety of recreational activities in a safe and welcoming environment. They played games, explored the park, and spent quality time with their classmates and teachers. We extend our sincere gratitude to the staff at Busy Body Gym and Kays Creation Park for their hospitality and for making the day both educational and enjoyable for our learners.

Seeing you celebrate alongside them was a beautiful reminder that education is a shared journey. Thank you for walking this path with us, for cheering the loudest, and for believing in the bright futures of our students.
