

ABOUT US

Simba International School is an independent organisation founded in 1981 in response to parents requests for a new and innovative approach to children of all races, colour & creed an emphasis that remains today. Now serving 500+ students over 18 nationalities from around the world. Simba offers high quality British - based Cambridge International Curriculum across pre-school, Primary, Secondary, Sixth Form and a dedicated boarding house.

Beyond academic excellence from Kindergarten to IGCSE and A Levels, the school places strong emphasis on the holistic development of students, nurturing their intellectual, emotional, social, physical and moral growth within a safe and supportive learning environment- instilling a lifelong love of learning and a strong sense of community. Simba has nurtured high flyers around the world, who are part of our active Alumni.
